**S:**       When a man likes a woman  
              I want to see you every night  
              Do anything  
              Just to receive your love  
  
              If you are bad, I want to see it  
              'Cause love makes you blind  
              Though you turn your back on me  
              I will hunt you down  
  
              When I'm stalking you on facebook  
              I view your pictures all the time  
              Checking out your likes  
              To plan our date  
  
              Sitting just hoping for a selfie  
              And posting on your wall  
              Making my parrot say  
              "I love you babe"

Well, this man stalks you, woman  
I serenade you in the rain  
Playing my cowbell to catch your heart love  
Baby, why are you not home?

When I'm stalking you on facebook  
Tryin' to be your friend  
Oh, please tell me why...  
... are you blocking me?

When I'm stalking you on facebook  
Named my pet after you  
You're my starting page  
I want you babe

(Oh) When I'm sleeping with your profile  
Why would you cut your hair?  
Lovin' eyes  
Can always see

(Yes) When I'm stalking you on facebook  
Oh, why did that policeman come?  
Baby, baby, baby  
You're my world

When I'm stalking you on facebook  
When I'm stalking you on facebook  
When I'm stalking you on facebook  
When I'm stalking you on facebook...
